Come fill me up,
Oh when I'm dry and cold,
When I'm emptied out, down and my voice cries out,
Oh I hope your the only one that my words land on,
I play my cards, but it's by the grace of words that I play my cards at all
Come fill me up,
Oh fill me now 'cause i'm tired,
I feel emptied out.Rain (*rain), rain (*rain),
**Rain down on me,
Again (*again) and again (*and again),
**Rain down on me.
You know, I believe, I see it now,
Oh, I see you standing there,
I can only swear like angels you came down,
To wake me up,
Oh, wake me now from a dreamless sleep, come on, wake me up,
Whatcha got give, got time to live, you know take it take it, any more time,
You got to give, you got wake yourself up, middle of the night,
Get up and sing, you're gonna save yourself (scat singing),Rain (*rain), rain (*rain),

I see your smile,
Oh, but without hatred, where's the light,
Without the darkness, where's the love,
I see it now,
When I saw the devil and the lord both dancing arm in arm,
Whatcha got give, got time to live, you now take it take it,
Everything you give, you got to know my love's to give it
Right back, Give me more time, your love to forgive,
You must save yourself (scat singing)Rain (*rain), rain (*rain),
