

# People

## Tony Bennett

People, people who need people  
Are the luckiest people  
In the world We're children  
Needing other children  
And yet letting a grownup pride  
Hide all the need inside  
Acting more like  
Children than children Lovers are very special people  
They're the luckiest  
People in the world With one person  
One very special person  
A feeling deep in your soul  
Says you were half  
Now you're whole No more hunger and thirst  
But first be a person  
Who needs people With one person  
A very special person  
A feeling deep in your soul  
Says you were half  
Now you're whole No more hunger and thirst  
But first be a person  
Who needs people People who need people  
Are the luckiest people  
In the world
