The Gears

Agonyst

You're Here Because
You're One Of Us
We Are The Strength
We Are Soldiers
You've Journeyed Far
You've Battled Hard
And Now You Will Recieve The
Permanent Reward
You've Conquered Pain
You've Conquered Fear
Stand Proud And Salute
The Bloodied Flag Here
You've Pledged Your DETH and
Your Last Breath
You Are The Gears
YOu Are The Gears
We Fear Not Our Mortality
We'll Serve To The Best Of Our Ability
We Give Our Lives To Our Masters
We Vow To Smite Our Enemies
You've Mastered DETH
You've Mastered Fear
You Are Transformed
You Are Stronger
Now That You're Here
A Branded Gear
Burned In Your Flesh
Will Seal The Deal

You've Conquered Fire
You've Conquered Ice
You've Tasted Blood
You've Taken Life
You're Hear Because
You're One of Us
Become A Gear
Become A Gear
We Fear Not Our Mortality
We'll Serve To The Best Of Our Ability

We Give Our Lives To Our Masters
We Vow To Smite Our Enemies
We Bless Your Skin
We Bless You With Our Mark
Become A Part Of The KLOK
Become A Gear
You've Conquered Pain
We've Conquered Pain
You've Conqured Fear
We've Conqured Fear
You Fear Not Your Mortality
Become A Gear
(We Are The GEARS)
[X2]We Bless Your Skin
We Bless You With Our Mark
Become A Part Of The KLOK
Become A Gear
(We Fear Not Our Mortality)
