

# The Glow of the Flames

## Poisonblack

Temptation awaits as she opens the gates  
And I kneel down before her  
The scent of her rides in the breath of the night  
And I'm breathing the curse I breathe and I drown in the circle of fire  
The glow of the flames  
And I embrace the demon-desire  
The glow of the flames in my eyes The pleasure and pain... now they are the same  
For I have fell from grace  
I've been waiting for so long for the feeling this strong  
For this bliss of escape I breathe and I drown in this funeral pyre  
The glow of the flames  
And I embrace the demon-desire  
The glow of the flames in my eyes
