

# Apologize

## Kids Hit Masters

I'm holding on your rope  
Got me ten feet off the ground  
And I'm hearing what you say  
But I just can't make a sound  
You tell me that you need me  
Then you go and cut me down, but wait  
    You tell me that you're sorry  
    Didn't think I'd turn around and say  
That it's too late to apologize, it's too late  
I said it's too late to apologize, it's too late  
    Too late, oh  
I'd take another chance, take a fall  
    Take a shot for you  
And I need you like a heart needs a beat  
    But it's nothing new, yeah yeah  
I loved you with a fire red, now it's turning blue  
    And you say sorry like the angel  
    Heaven let me think was you  
    But I'm afraid  
    It's too late to apologize, it's too late  
I said it's too late to apologize, it's too late, whoa whoa  
    It's too late to apologize, it's too late  
    I said it's too late to apologize, it's too late  
    I said it's too late to apologize, yeah, too late  
    I said it's too late to apologize, yeah, too late  
    I'm holding on your rope  
    Got me ten feet off the ground
