

Like a New Child

Can

Good night, sinner
All right with me
If it's the wrong way
Let me get close to you now
Ohwaoh Don't pay, no, what did you do to me
Oh yes, your silent partner in your mystery?
Oh, midnight man, oh
Don't let me get you on the wrong track
It's hardly, hardly, hardly, hardly
Hardly, hardly, hardly, hardly
Hardly, hardly, hardly bad
It's the sound, former ground
Coming down, coming down with ice
Beaten round, beaten round
Beaten round like the sound
Coming on the night
Oh, midnight sin
Oh, midnight sinner
Don't make no mistake, oh
Don't beat it now, yeah
Why don't you go and get it now, yeah, yeah?
Oh, may sign, oh, may sign like a new child
Hardly sign like a new child
It's OK
