

# Every Guy

## Take That

Every guy needs a girl like you  
Every girl needs a guy like me, oh, yeah  
Every guy needs a girl like you, like you  
See, 'cause that's how it's meant to be  
(Come on, we gotta go)Every guy needs a girl like you  
Every girl needs a guy like me, oh, yeah  
(Come on, we gotta go)Every guy needs a girl like you, like you  
See, 'cause that's how it's meant to be  
(Come on, we gotta go)Ok, so I've stared a little long  
You can take my body, take my fingers and my tongue  
Oh, you move like you know what's coming next  
Touching me, touching you, touching all around your legsI need you, I need you, I need you you you you you  
Get the message now, I've got to have you, girl  
(Come on, we gotta go)Every guy needs a girl like you, like you  
Every girl needs a guy like me  
(You've got to help me, girl)Every guy needs a girl like you, like you  
See, 'cause that's how it's meant to be, yeah, yeah  
(Come on, we gotta go)Shall I come over, shall I wait a little more?  
How much longer till I walk you through that door?  
Don't hold back the feeling, we all know lies deep inside  
It won't be long now, till your heart is open wideI need you, I need you, I need you, you, you, you, you  
Ooh, oh, yeah, I've got to have you, girlEvery guy needs a girl like you  
Every girl needs a guy like me  
(Come on, we gotta go)Every guy needs a girl like you  
'Cause that's how it's meant to be, yeah, yeah  
(Come on, we gotta go)Every guy needs a girl like you  
Every girl needs a guy like me  
(Come on, we gotta go)Every guy needs a girl like you  
'Cause that's how it's meant to be, yeah, yeah  
(Come on, we gotta go)'Cause that's how it's meant to be  
(Come on, we gotta go)Get the message now, get, get the message now  
Get the message now, get, get the message now  
(Come on, we gotta go)Get the message now, get, get the message now  
(Come on, we gotta go)Every guy needs a girl like you  
Every girl needs a guy like me  
(Come on, we gotta go)  
Every guy needs a girl like you  
'Cause that's how it's meant to beEvery guy needs a girl like you  
Every girl needs a guy like me

(Come on, we gotta go)  
Every guy needs a girl like you  
'Cause that's how it's meant to be
