

# Castle In The Snow (Hector Michou Extended Remix)

## Kadebostany

The light is fading now  
My soul is running on a path  
That I cannot reach  
My brain is turnin'  
And my head is hurtin'  
Every day a little bit moreThe light is fading now  
My forces is being sucked by  
A bloody leech  
My fear is smilin'  
And my threat is singin'  
Every night a little bit moreI cannot see anything  
I am blindfoldedI can hear the birds  
I can see them fly  
I can see the sky  
I can hear the birds  
I can see them fly  
I can see the sky  
It's about to cryI'm a zombie  
I don't know what to do  
I should be hidden in a place  
But I gotta stay, stay stay  
Stay stay stay stayI'm so lonely  
I don't know if I get through  
I wanna be floating in space  
But I gotta stay, stay stay  
Stay stay stay stayI can hear the birds  
I can see them fly  
I can see the sky  
I can hear the birds  
I can see them fly  
I can see the sky  
It's about to cry
