Bones (feat. OneRepublic)

Galantis

You bring an energy I've never felt before
Some kind of chemical that reaches through my core
It feels likeAs far as you and me I've never had a choice
You feel like home, hmm
You're like the opposite of all of my mistakes
Tear down the biggest walls and put me in my place
I know, that kind of comfortable you cannot replicate
You feel like home, hmmSo if you're asking me
Saying "Oh, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no
I feel it in my bones
I feel it in my bones
And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bonesAnd I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bonesSo many people just walk in and out your life
I'd trade a couple hundreds and just to get some time, back that's right
Cause for you and me, I got no alibi
You feel like home, ohSo if you're asking me
Saying "Oh, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no
I feel it in my bones
I feel it in my bones, yeah
And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bones
I feel it in my bones
Yeah, I feel it in my bones
That's how you know
That's how I knowSo if you're asking me
Saying "Boy, how do you know?"
I don't just feel it in my heart
Don't just feel it in my heart, no

I feel it in my bonesI feel it in my bones
I feel it in my bones, yeah
And I know when it cuts tears down through your chest into your soul
That's how you know
That's how I know
I feel it in my bonesI feel it in my bones
Yeah, I feel it in my bones
Oh, that's how you know
That's how I know
Feel it in my bones
