

On That Yac

Nasty Nardo

[Nasty Nardo]

Uh? playboy!

? Bitch pour me a cup

[I?m on that Yac baby,

Cause I?m a mack baby,

I?m ridin? grown man, pushin? Cadillacs baby] x4

Now I?m just wakin? up it was a long ass night,

A bad bitch to my left, a bad bitch to my right,

Put up a helluva fight,

But I was just too much,

Man I be manglin? bitches, pullin? hair and skeetin? nut,

So I?m smackin? their butts,

I?m wakin? them up,

I need some breakfast on my plate, and some juice in my cup,

These hoes know wassup,

I?m the king of the castle,

? My wishes they ?? and they don?t give me no hassles,

So they wearin? my ?? eyeing my clothes,

Then polish my ice, ?????,

Then ?? The chrome,

??? Chrizzie,

Now I?m headed out the door, hoes blowing me kisses,

?Don?t forget them dishes? is what I yell in reply,

And they know I mean business by the look in my eye,

So I?m off in my ride,

I?m off in the ?lac,

Gettin? full of that ?dro, gettin? full of that yac,

[Hook] x4

Now I?m on my mission, I?m swingin? lane to lane,

Krunk City in my trunk, got that switch on bang,

Just makin? it rain,

Makin? it knot,

Niggas fallin? off the wall, comin? down the block,

Sippin? private stock, of the finest grapes,

From the heart of France, don?t need to ?,

Cause I?m lovin? the taste,

Mixed with Hydroponic,
Got me felin? slow-mo, got me feelin? bionic,
And it?s kinda ironic,
How these niggas be fakin?,
Talkin? shit behind yo back but in yo face they shakin?,
All the time they hatin?,
Because I?m comin? in first,
Better to come in last,
Than to leave in a hearse,
Cause you will get murked,
Disrespectin? my pimpin?,
Tryin?a stop how I eat, and how I?m makin? my livin?,
Wanna see me in prison,
Broke down and lonely,
But you can?t stop a mack,
I?m comin? back,
Like ??,

[Hook] x4

Now keep that grey goose? and gimme that yac back,
Make a pimp rich? I need hundred stacks,
So baby hit the track? hit the pole,
And pop that pussy till that mu?hfuckin? pussy swole,
And work yo jaw bone, ???? too,
Fuck a manag bitch, you can fuck the whole crew,
Now show me what it do,
Make that booty clap,
Like Foxy from ?The king? know what I?m talkin? ?bout,
Because you super stout,
Because you super thick,
Every time I see that ass you make me wanna hit,
But I ain?t a trick,
I?m a hoe breaker,
I?m snatchin? money you been makin? with ya baby maker,
And fuck a playa hater,
Trick getcha weight up,
Step yo pimpin? and yo mu?hfuckin? game up,
So nigga save up,
And getcho own shit,
And be a man and stop actin? like a damn bitch,

[Hook] x4
