Say Hello

Deep Dish

Say hello, say hello
Say hello, say hello
Say hello, say helloSay hello, say hello
Say hello, say hello
Say hello, say helloAnd tricky time never stops
That moment walked me by
Without bothering to sayAnd lucky time never stops
That moment walked me by
Without bothering toSay hello, say hello
Say hello, say hello
Say hello, say hello
Say hello, say hello, sayAnd tricky time never stops
That moment walked me by
Without bothering to sayAnd lucky time never stops
That moment knocked me down
Without bothering toSay hello, say hello
Say hello, say hello
Say hello, say helloSay hello, say hello
Say hello, say hello
Say hello, say hello
Say helloAnd tricky time never stops
That moment walked me by
Without bothering to sayAnd lucky time never stops
That moment knocked me down
Without bothering toSay hello, say hello
Say hello, say hello
Say hello, say helloSay hello, say hello
Say hello, say hello
Say hello, say helloSay hello, say hello
Say hello, say hello
Say hello, say hello
Say hello
