

Hiltia

Adorned Brood

Salida
snel wigand
gikoran
kuning hiltia. The king of agony and fear,
he is the eldest of all kings.
He takes the weak and bows to the strong
his merciless majesty, yet invincted. Salida
snel wigand
gikoran
kuning hiltia. He is immortal, his pinions carry winds
upon our feeble spirits
he hears the bestial of our being
serving him by lust to kill.
