

# Headed For A Heartbreak (Original Studio Demo)

Winger

Yeah Morning came and I was on my way  
When you reminded me  
I had too soon forgotten  
It was you that set me free  
Yeah, you were here when I came  
You'll be here when I'm gone  
So don't be waiting on love  
'Cause I'll be waiting to ramble on Headed for a heartbreak  
Headed for a heartbreak Darling, don't wait up for me  
Tonight I won't be home  
You've become a stranger  
I just got to be alone  
Don't need nobody on my side  
To dull the blade I'm on  
So don't be waiting on love  
'Cause I'll be waiting to ramble on Headed for a heartbreak  
Headed for a heartbreak  
Headed for a heartbreak It's not a mistake  
Don't you think I can feel the pain?  
I walk away, to live again Headed for a heartbreak  
Headed for a heartbreak (Don't make me hurt you)  
Headed for a heartbreak ('Cause I love you)  
Headed for a heartbreak
