

Fixxxer

Metallica

Dolls of voodoo all stuck with pins
One for each of us and our sins
So you lay us in a line
Push your pins, they make us humble
Only you can tell in time
If we fall or merely stumble

[chorus]

But tell me

Can you heal what Father's done
Or fix this hole in a Mother's son
Can you heal the broken worlds within
Can you strip away so we may start again
Tell me, can you heal what Father's done
Or cut this rope and let us run
Just when all seems fine and all pain free
Jab another pin, jab another pin in me

Mirror mirror, upon the wall
Break this spell on me, or become the doll
See you sharpening the pins
So the holes will remind us
We're just the toys in the hands of another
And in time the needles turn from shine to rust

[chorus]

Jab it

Blood for face, sweat for dirt
Three X's for the stone
To break this curse
A rituals's due, I believe I'm not alone
Shell of shotgun, pint of gin
Numb us up to shield the pins
Renew our faith, which way we can
To fall in love with life again
To fall in love with life again
To fall in love with life again
To fall in love, to fall in love

To fall in love with life again

[chorus]

No more pins in me
No more, no more pins in me
No more, no more pins in me
No more, no more, no more
No, no, no
