

Why

Bonnie Tyler

It's a breathless night and I feel the pain
This love is a sacrifice
We can't build a fire baby in the rain
Oh, the night has a thousand eyes How deep is your love, babe?
No one cares about you
I will love you tomorrow
See what my love can do Baby why, why should I hurt you?
How many tears can I hide?
Nobody loves you like I do
Time is on my side, baby You'll close your eyes I'll stay by your side
I don't care if the sun don't shine
When your heart feels like, oh a motherless child
You are always oh, in my mind How deep is your love, babe?
No one cares about you
But it's not too late babe
See what my love can do, baby Baby why, why should I hurt you?
How many tears can I cry?
Nobody loves you like I do
Time is on my side Baby why, why should I hurt you?
How many tears can I hide?
Nobody loves you like I do
Time is our my side
