

Watch Those

Big Punisher

Earth to Pun, come in Pun
Water Boy, yeah yeah yeah
The levels, the levels, the levels be good?
Levels is good, levels is good? Yeah You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh I'm quick to dumb out, run up in yo' crib with the guns out
Spray your peeps, smack the baby teeth out your son mouth
Who can stop me? I told shorty I'ma shoot you papi
Caught him in the crapper with the clapper, while he was doin' caci I'll probably die in jail, make it through life
and fry in hell
Either way I'ma lead the way, cause only time'll tell
I rhyme for real, not that imaginary vocabulary
I really will stab you and every one of my adversaries There's no remorse, fuck these thug niggaz, show me the
boss
Gimme a hustle worth the risk of goin' up North
I love my freedom, and you know I love my bein'
So sometimes I gotta get ugh and mug for my per diem I'll see him in hell, we'll settle it there, better it there
No innocent bystanders to get hit with a spare
Like I really care who catches strays with the Mac
Like I really care who you paid to rap on your track Nigga you wack, you ain't bringin' nuttin' for us
I got songs with the Devil and Jesus singin' on the chorus
You can't ignore us, nigga you know how we roll
Sixteen in the clip and one in the hole You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh Can't no comp come at me, this battle the Bronx'll back me
Got the nicest niggaz alive talkin' bout, "Papi's nasty"
Cocky crafty like Rocky sassy Puerto Rock Apache
Posse not even the cops could catch me I'm too fast, four-hundred pounds, but I move ass
Soon as you spoke, I already smoked you with two jabs
My game is tight, you wanna play, just name your price
Fame to ice, your brains your life, the game is sheist And I'm the trifest on the field

Even in school I was nominated the most likeliest to kill
This bastard steal, a full clip and a extra
And I'ma blast ya til your whole click respeta
Leave you muerta, it ain't me it's the metra
'Tate quieta, the bitch got a bad temper Don't surrender, you ain't got a chance
You be lucky to leave here half-dead, in an ambulance
So take a chance, but expect the worst
Put my foot so far up your ass
the sweat on my knee'll quench your thirst
Ooh, "Thanks Pun" You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh You got to watch those, jokers who pop those
You know those, crusty-lipped snot-nosed
Indeed I spot those, actin' rah rah, talkin' bla-bla
That's ca-ca, chill pa-pa, no ah-ahh
