Rope

Foo Fighters

This indecision got me climbing up the walls
I've been cheating gravity and waiting on the fall
How did this come over me, I thought I was above it all

Our hope's gone up in smoke, swallow your crownChoke! On a kiss, I thought I'd save my breath for you Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on

you

Give me some rope I'm coming loose, I'm pulling for you now
Give me some rope I'm coming out of my head, into the clear
When you go I come looseThese premonitions got me crying up a storm
Leave your condition, this position does no harmChoke! On a kiss, I thought I'd save my breath for you
Choke! On a kiss, I thought I'd save my breath for youGive me some rope I'm coming loose, I'm hanging on
you

Give me some rope I'm coming loose, I'm pulling for you now
Give me some rope I'm coming out of my head, into the clear
When you go I come looseGive me some rope I'm coming loose, I'm hanging on you
Give me some rope I'm coming loose, I'm pulling for you now
Give me some hope I'm coming through, I'm counting on you
Give me some rope I'm coming out of my head, into the clear
When you go I come...
