

Hanging

Idea Fire Company

How 'bout a little bit of soul, some integrity
I'm not talkin' about no fake kinda feeling
But the girl in my dreams will be
For real without a doubt so I don't know who you are but find your way to me
Uh, in no rush to see Baby, I'm hanging, hanging on for you
(I'm hanging)
That's where it is, go 'bout my business Hanging, hanging on for you
And you'll be mine in future time
It's true, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh How 'bout we wait a couple years till you do it right?
I gotta a little game left
Soon I'ma hang up in a play and share this line
And you can do the same yes 'Cause this horizon soon will focus into view, yeah
Uh, in no rush to see Baby, I'm hanging, hanging on for you
(I'm hanging)
That's where it is, go 'bout my business Hanging, hanging on for you
And you'll be mine in future time
It's true, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh There's no rush, we will touch
And it will be a whole other level girl
Just one kiss, yes this is
The heaven that will conquer the devil's world
Uh, in no rush to see Baby, I'm hanging, hanging on for you
(I'm hanging)
That's where it is, go 'bout my business Hanging, hanging on for you
And you'll be mine in future time Hanging, hanging on for you
(I'm hanging)
That's where it is, go 'bout my business Hanging, hanging on for you
And you'll be mine in future time
It's true, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh Hanging, hanging on for you
(I'm hanging)
That's where it is, go 'bout my business Hanging, hanging on for you
And you'll be mine in future time
It's true
