

Natives of the Windy Forest

Willow

Eywa meuianga'
Tsmukan sÃ¬ tsmuke tireapivÃ¬ngkxo
(Eywa, Eywa)Mother Earth, praise her light
Brothers and sisters, we commune with you
(Eywa, Eywa)
Mother Earth, praise her light
Source creates the birds that go
(Eywa, Eywa)I don't see you in the forest no more
I yearn for you, but you're so far away in your tree home
I'm by the obelisk, come and just sneak a kiss
All aboard the machine and berserkers running after him
Berserkers running through the wind
Berserkers heart is breaking slowly
The elders didn't want this and she's running through the forest like
Eywa meuianga'
Tsmukan sÃ¬ tsmuke tireapivÃ¬ngkxo
Mother Earth, we praise your light
Your sisters and brothers
We commune with you
Your sisters and brothers
We just love in youAll the natives of the windy forest
All the natives of the windy forest
Come hither
All the natives of the windy forest
All the natives of the windy forest
Feel the music soaking in your pores
Feel the music soaking in your pores
The forest children are making songs
And trying to get you to sing along
Meuianga' Eywa
Meuianga' Eywa [?]
Meuianga' Eywa
Meuianga' Eywa [?]
Meuianga' Eywa
Meuianga' Eywa [?]
TÃ¬yawnEywa meuianga'
Eywa meuianga'
Eywa meuianga'
TireapÃ¬ngkxo, we flyWe fly, we fly
We fly, Eywa

We fly [?]

All the natives of the windy forest
