

Playa Cardz Right (Female) [feat. Keyshia Cole]

2Pac

This going out to all the females that be having
To beat them motherf***ers in they head to get them
Off of them, HahaAnother shady mission, tricks, like watchin' pictures in hazy vision
Tonight is love makin', take you any place you wish
Today we satisfied, and today we stole them kisses
Blind insanity, perfect pictures of me and my familyNot understanding it definitely, if they plan for me
If I have kids, will I live to see them grow?
Though I don't know, I live the life of a thug n****
Until the day I go, no broken promisesA sacred bond broken, I know I die alone
But yet and still I'm hopin'
Visions of prisons, maybe I'll be forgiven
I know it's better in heaven 'cause bein' here ain't livin'Close my eyes and see nothing but pain, the world is
crazy, still
Lookin' for a queen to plant seeds and have babies
Maybe I'll be the one or just maybe I'm lost
You'll never know being cautious, if you playa cardz rightPlayer cards right baby (Haha, player cards right)
Player cards right girl (Take ya time)
Take your time baby (Be patient)
Just be patient baby (Don't rush)
Don't you rush it girlUh huh, Luda
You ain't gotta do that baby
It's not the hand that you're dealt but how you playin' your cards
You got a brother feelin' mellow like a Cuban cigarYou truly a star, we'll take the days one at a time
I think we make the perfect pair, cause you my one of a kind
I say we make a full house, live out the family dreams
No jokers, no jacks, just kings and queensAnd we should leave the clubs alone and take trips to islands
Give you all of my heart and flood your hands with diamonds
No more livin' like a player, stop chasin' the hoes
I never put you in a shuffle, use my ace in the holeI live a life full of riches we got places to go
So no bluffin', no rushin', just takin' it slow
Let your man do the hustling while you lay in the shade
I'll throw a deuce to the haters, call a spade a spadeAnd let you know I'll never hurt you, baby girl
You made me hurry up and wait and I know patience is a virtue
Haha
Player cards right babyPlayer cards right baby (Haha, player cards right)
Player cards right girl (Take ya time)
Take your time baby (Be patient)
Just be patient baby (Don't rush)
Don't you rush it girlYou're the one, the only one heaven sent for me

Baby I'm hopin' that you understand, that you still believe
That I got the special times, on my mind, just hopin' that you see
Baby that the thug in me is lovin' you, that this is meant to be
Girl I'll never leave you alone You're the one, the only one heaven sent for me
Baby I'm hopin' that you understand, that you still believe
That I got the special times, on my mind, just hopin' that you see
Baby that the thug in me is lovin' you, that this is meant to be
