

Reach for the Sky

Gary Moore

Sometimes it seems
That you've had more than enough
As your life is going nowhere
And you feel like giving up Sometimes you know
That you can't take anymore
When things are getting harder
Than they've ever been before Don't lose your heart when things go wrong
You know what to do now
Just turn your back and carry on, come on Reach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands up Sometimes it seems
Like you've really lost your way
When your mind is full of doubt
You've got nothing left to say You're going around in circles
Like a man who's running blind
But the world must keep on turning
And it's leaving you behind Don't lose your heart when things go wrong
You know what to do now
You've got the strength to carry on, come on Reach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands up Reach for the sky
Reach for the sky
Reach for it Don't lose your heart when things go wrong
You know what to do now
You've got the strength to carry on, come on Reach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands up Reach for the sky
Come out with your hands up
Reach for the sky
Come out with your hands up
Hands up, hands up Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
