

Electric Chapel

Lady Gaga

My body is sanctuary
My blood is pureDoot doo doo
Doot doot doo dooYou want me bad
I think you're cool
But I'm not sureDoot doo doo
Doot doot doo dooFollow me
Don't be such a holy fool
Follow me
I need something more from you
It's not about sex or champagne
You holy foolDoot doo doo
Doot doot doo dooIf you want to meet
Me at electric chapel
If you want meet
Me at electric chapel
If you want to steal my heart away
Meet me, meet me baby in a safe place
Come on, meet me in electric chapelConfess to me where you have been
Next to the barDoot doo doo
Doot doot doo dooPray for your sins
Right under the glass disco ballDoot doo doo
Doot doot doo dooFollow me
Don't be such a holy fool
Follow me
I need something sacred from you
Together we'll both find a way
To make a pure love work in a dirty wayIf you want to meet
Me at electric chapel
If you want to meet
Me at electric chapel
If you wanna steal my heart away
Meet me, meet me baby in a safe place
Come on, meet me in electric chapelMeet me meet me
Meet me meet me
Meet me meet meIf you want to meet
Me at electric chapel
If you want to meet
Me at electric chapel
If you wanna steal my heart away

Meet me, meet me baby in a safe place
Come on, meet me in electric chapelMeet me meet me
Meet me meet me
Meet me meet me
