

Don Taco & His Hot Sauce Toss

Des Ark

get high like every night
I will dance in the beams of the port light
Give my body to the life at bay
Bury me inside of my family
I want my sister to carry me
To the top of the crypt by the willow tree
Deliver my body all ragged and warm
Back to the morning of the day we were born Oh ba dum ba dum
Oh ba dum ba dum I will be alone for a couple of months
Until I hand pick a lover you're the one i want
Waiting in my bed all giddy to see
If you're gonna ask my daddy for me
How am I gonna tell him I am going away
How I am gonna handle it when he don't say
Baby don't worry i will follow you
Because we are young
And thats what young lovers do
Oh ba dum ba dum
Oh ba dum ba dum
