

# Bounce With Me

## Bow Wow

[JD (Lil Bow Wow)]  
Uh-huh, yo  
(Oh, oh)  
Uh-huh, yo  
(Uh-huh, oh, oh)  
Uh-huh, yo  
(Bounce, bounce)  
See around here  
(Uh-huh, uh, huh-uh)  
I make things that make y'all bounce  
Ya know?  
Ya know what I mean?  
(Yeah, yeah)  
Left to right, right to left  
(Uh-huh, uh-huh)  
It's So So Def  
(Yeah uh)  
And uh it's going down  
Ya know what I mean?  
(Yeah)  
My man Bow Wow  
(Bow Wow, yeah hear me now)  
Yeah ya heard?  
(Check it out)  
Let's go! Let's go! Let's go!  
(Peep game, let's go)

[Lil Bow Wow]  
Around here we pop them collars  
Around here we get them dollars  
Every girl I see that look right  
A nigga like me just gotta holla  
This kid here all about stackin' up  
Got big head but we can back it up  
Long cause everybody get crunk  
When we drop in the club starts acting up  
I represent the S-O-S-O, D-E-F-M-O-B  
That's me, JD, Da Brat, and JE  
So please believe

What I do ain't never been done  
Ohio is where I'm from  
I heard what you said  
And I saw what you do  
And y'all players really don't want none  
From the day to the night, I rock  
Say what you like, never not  
Stayin' alive, living the life  
Gots to keep it hot  
Shotgun in the drop  
Riding good, twenties, TVs, leather and wood  
Poppin', watching Big Momma  
Holdin' it down like a player should  
Sing-a-long now!

[Chorus: Xscape]

All I want to do is see ya  
Bounce with me, bounce with me  
Grab a partner hit the floor  
Bounce with me, bounce with me  
Some clap, clap others stomp  
But around here we get it crunk when ya  
Bounce with me, bounce with me  
All I want to do is see ya  
Bounce with me, bounce with me  
Grab a partner hit the floor  
Bounce with me, bounce with me  
Some clap, clap others stomp  
But around here we get it crunk when ya  
Bounce with me, bounce with me

[Lil Bow Wow]

It's the B to the O-W WOW  
Wow even your girl fall in love  
When I smile  
The tight little guy you ain't seen in a while  
Ignore the height, just right for you size  
I get in where I fit in  
Braided up, made the bucks  
And I'm still a kid  
Imagine what life like when I get big  
I'ma be rich surrounded by chicks  
Couple of cars, couple of cribs  
Gettin' a couple of mills  
Shining every time I feel

You see how So So get ill  
You don't want no stuff up in here  
Bow to the wow  
Flavor in your ear now  
I get down cause I'm hit bound  
And I rock an iced out Mickey Mouse around my neck  
And I hang on niggas like Vince Carter  
With his arm in the net  
And I outta snatch up your daughters  
But I was brought up with respect  
When I turn 16 I'ma call her though  
And show her how to ride with a baller yo  
Let her know why it wouldn't hurt her  
To fall in love with a nigga like me along time ago  
Sing-a-long now!

[Chorus: x2]

[Jermaine Dupri]

I, I, I want to see you bounce with me now  
Take, take, take it down to the ground with me now  
Shake, shake, shake it all around the town with me now  
What ya goin' do shorty, what ya goin' do
