Is It You

Matt Hunter

{Hook}
Uh, We, got it hot up in this stove,
Im lookin, im lookin,
Im lookin, for, the one,
To come and get me in the zone,
Is it you, Is it you,
Come and let me know,
Is it you, Is it you, Is it you,
Over there,
Is it you, Is it you, Is it you,
Damn,
You got it, you got it, you got it,
I swear,
You got it, You got it, You got it,
I swear
{Verse 1}
Yeah, Im, lookin all across the room,
For the one, Maybe two,
If you in the mood,
For a little bit of NuNu,
Give your number like Sudoku,
That dress, Shorter than a Tutu,
My, View is so beautiful that,
I can't help but stare,
(Help but stare)
Stay away from your friends,
And pull right, over here, (Yeah)
You should come and chill,
Just be easy like a lay-up and,
Let my money talk,
Baby you ain't got to say nothing,
(Now)
I ain't tryna run games, but I play to win,
Is it you, Is it you,
Let me see your hands,
We got it hot, Right out of the pan,
Baby I can make you scream like my number one fan,
(Now)
Tell me how does that sound,

Neighbors might complain, but you know I love that loud,
(That loud)
Tell me how does this sound,
Said the nieghbors might complain but we never turn it down,
{Hook}
Uh, We, got it hot up in this stove,
Im lookin, im lookin,
Im lookin, for, the one,
To come and get me in the zone,
Is it you, Is it you,
Come and let me know,
Is it you, Is it you, Is it you,
Over there,
Is it you, Is it you, Is it you,
Damn,

You got it, you got it, you got it,
I swear,
You got it, You got it, You got it,
I swear
{Verse 2}
Why you playing cool,
They might be confused, but aint nobody fooled over there,
I can tell by how you move, that you ready and prepared
(By yourself)
Like your playing solitare, come and share some with me,
If you ever need a body guard like Whitney,
I be over you fast like Ricky, Bobby,
Tell them this no problem, On the Low,
No comment baby we can get it poppin,
(Now)
I ain't tryna run games but I play to win,
Is it you, Is it you,
Let me see you dance,
We got it hot, might leave with a tan,
Baby I can make you scream,
but you ain't got to be scared of it,
Tell me how does that sound,
Neighbors might complain, but you know I love that loud,
(That loud)
Tell me how does this sound,
Said the nieghbors might complain but we never turn it down,
{Hook}
Uh, We, got it hot up in this stove,
Im lookin, im lookin,

Im lookin, for, the one,
To come and get me in the zone,
Is it you, Is it you,
Come and let me know,
Is it you, Is it you, Is it you,
Over there,
Is it you, Is it you, Is it you,
Damn,
You got it, you got it, you got it,
I swear,
You got it, You got it, You got it,
I swear
{Bridge}
We've been at it all night,
Act like, it don't mean a thing,
But its alright,
You know what it is,
Girl I'm down for whatever,
Whenever, Give you the business,
Know I got that work, if your ready for it,
Is it you, Is it you, Is it you,
Let me know you're ready for it,
Is it you, Is it you, Is it you,
Put your hands in the air,
And let me know you're ready for it.
