## Suburban Legends

Ladies and Gentleman, Suburban Legends! The things I'm missin'  
Your huggin' and your kissin'  
Now that you're gone  
It's your love I'll be missin'  
You and me, and happiness could be Could this be the beginning of the ending?  
Our time is short, soon it will be ending  
The way you make me feel is so unreal  
You and me together, but nothing lasts forever Come dance with me, all you little boys  
Don't be afraid, we can dance, dance the night away  
Come dance with me, that's what I heard her say  
Don't be afraid, we can dance, dance the night away  
Could this be the beginning of the ending?  
Our time is short, soon it will be ending  
The way you make me feel is so unreal  
You and me together, but nothing lasts forever Come dance with me, all you little boys  
don't be afraid, we can dance, dance the night away  
Come dance with me, that's what I heard her say  
Don't be afraid, we can dance, dance the night away Can't you hear me?  
Can't you feel me?  
Can't you see we could never be the same? Can't you hear me?  
Can't you feel me?  
Can't you see we could never be the same?  
Come dance with me, I'm a little boy  
Don't be afraid, we can dance, dance dance dance the night away  
Come dance with me, I'm a little boy  
Don't be afraid, we can dance, dance the night away Can't you hear me?  
Can't you feel me?  
Can't you see we could dance, dance oooooooooo?
