

# Perfect Christmas

Cathy Dennis

Doo, doo, doo  
Doo, doo, doo  
Doo, doo, doo

Hello friend, it's me again, I just called to tell you  
Even though I miss you so, I've been thinking of you  
All my dreams are coming true, at last  
The perfect ending to a wonderful year  
Will be to celebrate the good times with you here  
'Cuz, I know for sure, I never wanted anything more

The greatest gift that there could be  
Wrapped underneath my Christmas tree  
Would be the same my whole life through  
I'd spend the perfect Christmas with you  
Though the winter seems so long  
My faith in love has kept me strong  
So if I had a wish come true  
I'd spend the perfect Christmas with you  
I can't wait till the day when I finally see you  
So hold on, I wont be long, got so much to show you  
All our dreams are coming true at last  
The perfect ending to a wonderful year  
Would be to celebrate the good times with you here  
'Cuz, I know for sure, I never wanted anything more

The greatest gift that there could be  
Wrapped underneath my Christmas tree  
Would be the same my whole life through  
I'd spend the perfect Christmas with you  
So when you ask me what I mean  
To me the Christmas is complete  
Boy, can't you see, you're the one thing missing for me  
The greatest gift that there could be  
Wrapped underneath my Christmas tree  
Would be the same my whole life through  
I'd spend the perfect Christmas with you  
Though the winter seems so long  
My faith in love has kept me strong  
So if I had a wish come true  
I'd spend the perfect Christmas

And if I had one wish come true  
I'd spend the perfect Christmas here with you  
Doo doo doo  
Doo doo doo  
Doo doo doo  
...
