If I

Jesse Powell

I was so busy doin' things
Doin' things that I wasn't supposed to
And I know you might not believe me, babe
But I loved you
For each tear, forgive me it was unintentional
That I made you cry, I want you to know that I
I apologize and I'm prayin' that it's not too late
Girl, if I, if I should lose you, girl
If I could make love to you, girl
If I have thrown our love away
I don't know what I'm gonna do
I can't even imagine, babe
I can't imagine my life without you
And I, I can't even fathom, babe
Someone is loving you
Don't turn away from me and leave me here down on my knees
Without you, I'm dying won't you come save my life?
Now I realize that I'll never love the way that I loved you
Girl, if I, if I should lose you, girl
If I could make love to you, girl
If I have thrown our love away
I don't know what I'm gonna do
Oh, I know, I know I was wrong,with you, I belong
If our love is gone, how can I carry on?
I'm so alone without you to hold, won't you come home?
Girl, if I, if I should lose you, girl
If I could make love to you, girl
If I have thrown our love away
I don't know what I'm gonna do
Girl, if I, if I should lose you, girl
If I can make love to you, girl
If I have thrown our love away
I don't know what I'm gonna do
