

# Now Is the Time

## Delirious?

The winds are blowing through again  
So we must follow a people daring to believe  
We can change tomorrow and be the miracle of light  
And we won't give up the fightNow is the time for us to shine  
Shine with the face of Christ divine  
No compromise, for all heaven cries  
Now is the timeThe river's running through again rejuvenating  
For everything you touch you change and we've all been changing  
We're a city shining on a hill, tell this world you're shining still  
Tell this world you always willNow is the time for us to shine  
Shine with the face of Christ divine  
No compromise, for all heaven cries  
Now is the timeJesus, Jesus, precious Jesus, King of lights  
Jesus, Jesus, raise a church that's shining brightI want to follow but what does it mean  
To live in this world and keep everything clean  
Nothing I own here is ever my own  
When I live in the mercy and blessing you've shownI lay down my rights, see the world through your eyes  
And fight for the hungry who pay for our lives  
I want to have you in all of my world  
So Jesus consume me, flow through me  
'Cause now is the time for us to shineNow is the time for us to shine  
Shine with the face of Christ divine  
No compromise, for all heaven cries  
Now is the time
