

Empty Vision

Fear Factory

A paralyzed mind embracing decay
Dead like carrion just wasting away
There is nothing
Numbed by excess and complete saturation
Scarred influence by degeneration
There is nothing
There is nothing to believe All has been lost
All have lost their way
Every eye has been disgraced Dead like carrion
We must carry on
There is nothing
Lost innocence and blank revelations
Searching for a hope in static transmissions
There is nothing
There is nothing to believe All has been lost
All have lost their way
Every eye has been disgraced There is no reason for empty vision All has been lost
All have lost their way All has been lost
All have lost their way
Every eye has been disgraced There's no reason for empty vision
