Ceramic

Lee Burridge

Still I'm falling downSoon I will be falling down
The way I always
And I remember falling
And I remember crawlingStill I'm falling
Still I'm fallingHave you come down
From all the peeling?
'Cause I remember holy
And only God can save meStill I'm falling
Still I'm fallingThis is the last time
I'll speak of holding you
This is the last time
I'll speak of holding youTake this from me
And take it before it dies
'Cause this is the last time
I'll speak of holding youStill I'm fallingThis is the last time
I'll speak of holding you
This is the last time
I'll speak of holding youAnd you get up and you fall down
You get up and you fall down, you get up and you fall away
You get up and you fall down, you get up and you fall down
You get up and you, you get up and you fall, fall, fall, fall
