

Autumn's Ablaze

Primordial

And so it seems
I am unbound in my misery
Drunk in my sobriety
...and twisted animosity
The private moments of man
Are rarely ever seen
Yet, autumn gathers me up
And sheds me in her leaves Falling takes forever
From the grace of man
I fell so far
No one ever saw
How far She is dressed in golden brown for me
Sheds her leaves like a second skin There is fire, in your eyes tonight
No brighter sun, no darker moon Sister Morrigan
This way comes,
And so it seems it is Another passionate night
Another hopeless fight
And another battle that I've lost
