You've Got A Friend

Jazz and '70s

When you're down and troubled
And you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep you head together
And call my name out loud
Soon you'll hear me knocking at you door

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there

Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, and desert you
And take your soul if you let them

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there

You've got a friend
You've got a friend

Ain't it good to know you've got a friend
Ain't it good to know you've got a friend
