Tom the Model

Beth Gibbons & Rustin Man

How can I forget your tender smile
Moments that I have shared with you
Our hearts may break
But they're on their way
And there's nothing I can doOh, so do what you gotta do
And don't misunderstand me
You know you don't ever
Have to worry 'bout me
I'd do it againI can understand that it can't be
Guess it's harder you were meant for me
But I can't hide my own despair
I guess I never willOh, so do what you gotta do
And don't misunderstand me
You know you don't ever
Have to worry 'bout me
I'd do it againSo tired of life no fairy-tale
So hold your fire 'cause I need youOh, just do what you gotta do
And don't misunderstand me
You know you don't ever
Have to worry 'bout me
I'd do it againDo what you gotta do
And don't misunderstand me
You keep going over
Every word that we've said
But you don't have to worry
About me
