Stay

Dean Geyer

All the maps on the wall
Are held there with pins
to show where we've been.
A box of our memories
Are back by the door
The end of a war.
As I watch you sleep
Your hand still reaches for mineYou are so beautiful
You are...I want you to know
I won't let it go
I won't let it sleep
Anyday of the week
I should not talk
But I would like to say
I want you to know
I want you to stay.
hereAll the songs that we sung
Like a slip of the tounge
Forgotten all done
So give
Give your best shot
Put me to the test
But will it prove itYou are so Beautiful
You are...I want you to know
I won't let it go
I won't let it sleep
Anyday of the week
I should not talk
But I would like to say
I want you to know
I want you to stay.
HereIf you give the world
If you sense a sign
To come back this way
To come back today
Just give me the word
Just give me the signooh yeah yeahI want you to know
I won't let it go
I won't let it sleep

Anyday of the week
I should not talk
But I would like to say
I want you to know
I want you to stay.
