Answer

Phantogram

And you can't hold me down
'Cause I need an answer
'Cause I need an answer, love
And you say way too much
But still I need an answer, love
But still I need an answer, loveKindly be kind,
wipe all the dirt from my eyes
I need an answer,
I need an answerBeen up until dawn and all of my heroes are gone, babe
But I know they're out there
I know they're out thereThey say be with the one that you love
Be with the one that you love
I need an answer,
I need an answerThey say be with the one that you love
Be with the one that you love
I can't make you stop, can't make you stop
Can't make you stop when you're already goneAnd you can't hold me down
'Cause I need an answer
'Cause I need an answer, love
And you say way too much
But I still need an answer, love
But I still need an answer, loveKindly be kind,
wipe all the dirt from my eyes
I need an answer
I need an answer
