

# Green Eyed Love (Instrumental)

[Mayer Hawthorne](#)

My love, my green eyed love  
We'll watch the clouds from above  
C'mon, lift me up My love, my velvet rope  
Take me away from it all  
When I feel I can't cope  
They say they say they say  
You're no good for me  
But I know I know I know that's a lie  
And sometimes, oh sometimes  
I just don't know anymore  
But I never want to say goodbye My love, my green eyed love  
You know when push comes to shove  
I need you, you're in my blood My love, unlawfully wed  
Take me outside of it all  
When I'm stuck in my head My beautiful green eyed love  
I'm always dreamin' of  
My beautiful green eyed love Lift me up, my love  
My green eyed love lift me up  
They say they say they say  
You're no good for me  
That's a lie  
They say they say they say  
They say they say they say  
You're no good for me  
That's a lie
