Messy Marv ft. Jessica R

I'm from the bay that's how we speak
I'm from the bay
I'm I'm from the bay
I'm from the bay
I'm I'm from the bay that's how we speak
Fresh is where we got em this is how the bay say
You know what I mean reppin for them thangs spray
Scrappa scrappa and we fill it up with rippaz
I don't know how ya'll say it but we gon say it sicker
Fresh is where we got em this is how the bay say
You know what I mean before we pop a pill mane
Purple purple and we roll it up in swishas
I don't know how ya'll say it but we gon say it sicker
