

You Remind Me

Usher

Yo, I ain't seeing you in a minute, but I got something to tell ya, listen. See the thing about you, that caught my
eye,
Is the same thing that makes me change, my mind.
Kinda hard to explain, but girl, I'll try.
You need to sit down, this may take a while.
You see, she sorta looks, just like you.
She even smiles, just the way you do.
So innocent, she seemed, but I was fooled
I'm reminded when I look at you, but, You remind of a girl, that I once knew.
See her face whenever I, I look at you.
You won't believe all of the things that she put me through.
This is why I just can't get with you. Thought that she was the one for me,
Til I found out she was on her creep,
Oh, she was sexing everyone, but me.
This is why we could never be. You remind of a girl, that I once knew.
See her face whenever I, I look at you.
You won't believe all of the things that she put me through.
This is why I just can't get with you. I know it's so unfair to you,
I relate her ignorance to you
Wish I knew, wish I knew how to separate the two
You remind me, whoa You remind of a girl, that I once knew.
See her face whenever I, I look at you.
You won't believe all of the things that she put me through.
This is why I just can't get with you. You remind of a girl, that I once knew.
See her face whenever I, I look at you.
You won't believe all of the things that she put me through.
This is why I just can't get with you.
