Beauty in the World

Dami Im

I know you're fed up
Life don't let up for us
All they talk about on
Is what has gone down
What's been messed up
For us
When I look around
I see blue skies, I see butterflies, for us
Listen to the sound and lose it
In sweet music and dance with meThere is beauty in the world
So much beauty in the world
Always beauty in the world
So much beauty in the world
Shake your booty boys and girls
For the beauty in the world
Pick your diamond, pick your pearl
There is beauty in the world
Oh, yeah, yeah, ohWe need more loving,
We need more money, they say
Change is gonna come, like the weather
They say forever, they say
So baby in between know there's the blue skies
Know there's the butterflies, know there's me
Stop and smell the flowers and lose it
In sweet music and dance with meThere is beauty in the world
So much beauty in the world
Always beauty in the world
So much beauty in the world
Shake your booty boys and girls
For the beauty in the world
Pick your diamond, pick your pearl
There is beauty in the world
Hey yeah, throw your hands up and holler hey yeah
Throw your hands up and holler when you don't know to do
Don't know if you'll make it through
Remember God has given you
beauty in the world
beauty in the world, yeah you love
beauty in the world
