

Take a Take a Me

The Muffs

So much thinkin'
About there and that
I'mma gonna tell them where he's at
The song goes good and gives it round
But I'll be here all day long And I want to be with you
And I will put her in a place
And I want to be with you
And I will put her in her place And I want to punch her
I scream and shout
Cause I'm for you
And you're for me
And she's never gonna take you from me But I don't care
I really want to see you deaf
But I can never do Girl I love you
And you're still over there
I'll get what you want to see
Take it, take it ,take a ta me Who cares? So much thinkin'
About there and that
I'mma gonna tell them where he's at
The song goes good and gives it round
But I'll be here all day long And I want to punch her
And I scream and shout
Cause I'm for you
And you're for me
And she's never gonna take you from me Lay down And I want to punch her
And I scream and shout
Cause I'm for you
And you're for me
And she's never gonna take you from me You're crying
Get away from me Take a take me
Take a take me
Take a take me
Take a take me
Take a take me Take a take me
Take a take me
Take a take a me
Take a take me
