Unashamed

Whitney Houston

If I changed my mind
If I changed my faith
Every time a stop light signaled
Each time I made mistakes
I don?t think that I would be where I am today
I live my life without regrets
What you see is, what you see is
What you see is what you get and I?m
Unashamed of the life I lead
Unashamed of the strength on my knees
The choices I?ve made, of the love that I?ve saved
Of things I?ve done, my belief in the one
Unashamed of the words of my friends
I know who they are make mistakes, make amends
Follow my instincts, my star, on my sleeve I wear my heart
Unashamed, unashamed
Adding up my life, it totals all my dreams
I?m counting all my blessings and the gifts I have received
Still there?s always someone, something to overcome
Took all my life to understand that I am what I am, who I am
Unashamed
Unashamed of the life I lead
Unashamed of the strength on my knees
The choices I?ve made, of the love that I?ve saved
Of things I?ve done, my belief in the one
Unashamed of the words of my friends
I know who they are make mistakes, make amends
Follow my instincts, my star, on my sleeve I wear my heart
Unashamed
Do you wanna know how it goes?
Do you wanna control how I feel?
Do you wanna stay in my life?
Then listen here and listen good
You got to get it, got to get it, got to get it right
Unashamed
Unashamed of the life I lead
Unashamed of the strength on my knees
The choices I?ve made, of the love that I?ve saved
Of things I?ve done, my belief in the one

Unashamed of the words of my friends
I know who they are make mistakes, make amends
Follow my instincts, my star, on my sleeve I wear my heart
Unashamed
Unashamed of the life I lead
Unashamed of the strength on my knees
The choices I?ve made, of the love that I?ve saved
Of things I?ve done, my belief in the one
Unashamed of the words of my friends
I know who they are make mistakes, make amends
Follow my instincts, my star, on my sleeve I wear my heart
Unashamed
