

# Nervous - The Ooh Song: Mark McCabe Remix

Gavin James

I promise that I'll hold you when it's cold out  
When we loose our winter coats in the spring  
'Cause lately I was thinking I never told you  
That every time I see you my heart sings 'Cause we lived at the carnival in summer  
We scared ourselves to death on a ghost train  
And just like every Ferris wheel stops turning  
Oh I guess we had an expiration date  
So I won't say I love you, it's too late (And oh) 'Cause every time I saw you I got nervous  
Shivering and shaking at the knees  
And just like every song I haven't heard yet no  
I didn't know the words in front of me  
In front of me, and oh  
But I don't wanna know Who'll take you home?  
Who'll take you home?  
Who'll take you home, home?  
If I let you go (And oh) Now that you're on someone else's shoulders  
The winter winds are colder on my own  
Maybe we will meet when we get older  
Maybe we won't  
So I won't say I love you if you don't  
And no you don't (oh oh)  
So I won't say I love you if you don't
