Get the Gang Together

Gerard Way

Who got stuck with the check?
Who got left at the aisle?
Did they say they burned Capitol Station down?
And then I heard Jennifer died in RomeThey'll come looking for answers
They might start asking you why
Anyway, I don't need you to do me favors but I sure need you-
I sure need you to lieLet's get it together right now
Let's get it together somehow
Can we get it together right now?
Can we get it together somehow?Whatever happened to Rico?
You heard what happened to Sly?
Anyway, they call him Michelle now and he had a new baby-
A little girl Gemini
You got blood on your money
You got some mud in your eye
Anyway, so tell Mara I miss that thing we had
And tell Tara I'm sorry I never tried-To keep it together right now
Just keep it together somehow
Help me keep it together right now
Can we keep it together somehow?You know if I came around this way again
It's gonna be a surprise
She's putting lipstick on homeless boys in Korea Town-
Driving Angel down right nowRight nowLet's get it together right now
Let's get it together somehow
Can we get it together right now?
Can we get it together somehow?
