

Up 2 U

Walk the Moon

You better trust that voice in you head
That your world is not what it seems
It's not the monster under your bed
It's the one with you in the sheets
It's hard enough just making money
It's hard enough just tryin to feel alive
Meanwhile our fever is running
And kings bow down to the dollar sign
(Change) Don't ask me (Change), don't ask me to change, change
It's up 2 you!
It's up 2 you! Giants think the world is theirs
But I got a handful of magic beans
And theres a rain thats in my head
And if you want storm come dance with me
It's hard enough just making money
It's hard enough just tryin to feel alive
Meanwhile our fever is running
And kings bow down through the bottom line
(Change) don't ask me (Change), don't ask me to change, change
It's up 2 you!
It's up 2 you! (Oh oh oh oh oh oh oh oh oh)
I can't believe my eyes
got to believe there's someway
(Oh oh oh oh oh oh oh oh oh)
I can't believe my eyes
Got to believe there's someway
I can't believe my eyes
Got to believe there's someway
I can't believe my eyes
I can't believe my eyes
YEAAAAHHHH It's up 2 you!
