You're My Home

Lea Salonga

(Odette Quesada)I close my eyes
And I can feel that you're a part of me
You are my home
Though I'm afar I'm in your company
I'm in youI play my song
And I can hear you're in my melody
My life, my home
No matter what with you I'll always beRefrain:
You're my home
And together we share this love for us
To be happy and free
You're my home
And together we'll strive to make this world
A better place to beCome take my hand
Come fill your heart with all the love you see
Let every child
Be what they are, be what they wanna beYou're my home
And together we share this love for us
To be happy and free
You're my home
And together we'll strive to make this world
A better place to beFor you and me...
