Turning Circles

Judas Priest

Change, change, it's all rearrangin'
Lookin' around at the, the situation
Go back, see what you're doin'
The way you're takin' life you're goin' to rack and ruin'I'm turning circles, so stay away
We've all got somethin' wrong to saySlow down, see where we're gettin'
The way things are goin' now
Your life, it ain't pleasin'
Had my share of up and down
Don't spend time, don't spend time rushin' aroundI'm turning circles, so stay away
We've all got somethin' wrong to sayUh uh, uh uh
Uh uh, uh uh
Uh uh, uh uhI'm turning circles, so stay away
We've all got somethin' wrong to say
To sayUh uh, uh uh
Uh uh, uh uh
(Turning circles)
Uh uh, uh uh
Uh uh, uh uh
(So stay away)Uh uh, uh uh
Uh uh, uh uh
(Oh, I got somethin' more to say)
Uh uh, uh uh
Uh uh, uh uh
Uh uh, uh uh
