

# Duet (feat. Stephanie Briggs)

## Penny and Sparrow

I bet your shoulders can hold more than  
Just the straps of that tiny dress  
That I'll help you slide aside  
When we get homeI've seen 'em carry family  
And the steel drum weight of me  
Effortless, just like that dress  
That I'll help offBecause I've seen you  
And I know you  
And I'm not going anywhereBecause I've seen you  
And I know you  
And I'm not going anywhereI bet your back can carry more than  
Just the weight of your button-down  
One by one, they'll come undone  
When we get homeI've seen you carry family  
And all my insecurities  
One by one, they'll come undone  
When we get homeBecause I've seen you  
And I know you  
And I'm not going anywhereBecause I've seen you  
And I know you  
And I'm not going anywhereBecause I've seen you  
And I know you  
And I'm not going anywhere  
And I'm not going anywhere
