Beloved One

Ben Harper & The Innocent Criminals

We have both been here before
Knockin' upon love's door
Begging for someone to let us inKnowing this we can agree
To keep each other company
Never to go down that road againMy loved one
My beloved oneYour eyes shine through me
You are so divine to me
Your heart has a home in mineWe won't have to say a word
With a touch all shall be heard
When I search my heart you I findMy beloved one
My beloved one, my beloved oneYou were meant for me
I believe you were sent to me
From a dream straight into to my armsHold your body close to me
You mean most to me
We will keep each other safe from harmMy beloved one
My beloved one, my beloved one, my beloved one
