Miss Lady

Le Chat Lunatique

Miss Lady

Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo

Oh Miss Lady do you know how hard it is
To watch you from afar ~ a blinking twinkling star
Your crinkly smile and fetching eyes
Catch me off guard nearly every single time

How my heart breaks
When your hand rests so lightly
Your laughter springs so sprightly
At someone elseâ€™s joke

Please do me the courtesy
Of drinking at some other gin joint
And while the night away
Without holding my heart at gunpoint

Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo
Be Doo ~ Doooo Bee Doooo
